

Join 4C in making a difference for over 170,000 children each year.  
Help get them ready for success in school and life!

### Share your time.

If you are passionate about early childhood education, we are looking for you! 4C's **School Readiness Program** is looking for volunteers to work directly with in-home child care providers. Volunteers help implement language and literacy activities that, in turn, prepare children for kindergarten. Next session begins September 15.

### Share your talents.

Bring your expertise, energy and passion to a **4C committee** and help support the work of 4C for Children. The skills in highest demand are:

- Finance / Investment Planning
- Fund Development
- Event Planning
- Data Evaluation

Are you a “younger” volunteer? **4C for Children's Ambassadors Board** could be a great fit for you! Help spread the word about 4C's work and tackle special projects.

### Share your treasure.

A small investment on your part makes a big difference for the families and child care providers we serve. Any amount of support—in dollars or in kind—helps us keep making a difference for over 170,000 children in our community each year.

### Other ways to give...

We are seeking:

- new or gently used children's books
- tablets for staff to use in the field (non iPads)
- portable projectors for on-site training sessions
- a smart board for our training center
- billboard rentals to spread the word about our free parent services
- 12 sets of matching solid-color backpacks for activity lending library (four in each set)
- gift certificates or small items to use for staff appreciation

### Learn more.

Contact Tara Noland at 513-758-1209 or [tnoland@4cforchildren.org](mailto:tnoland@4cforchildren.org) to learn more about any of these ways to help 4C for Children and the families and children we serve.

### What your dollars will do...

**\$100** provides a personalized search to help a family with a special needs child find high-quality child care.

**\$250** provides safety supplies to a new family child care provider.

**\$500** brings age-appropriate literacy materials to two family child care homes.

**\$1,000** underwrites a leadership conference for 150 early childhood center directors.

**\$1,500** sponsors a child care provider to earn a nationally recognized certificate in child development.

**\$2,000** provides coaching to help a child care center meet requirements for a quality rating.

Thank you! Together, we can make a difference for children.
