GREATER CINCINNATI

Changing the Bottom Line for Families in Need

COVERD Greater Cincinnati is the umbrella organization for a collection of programs focused on providing basic needs products to low-income individuals and families. Together, Sweet Cheeks Diaper Bank, Tidal Babe Period Bank, and Fly & Dry Basic Needs Bank empower everyone to manage their health with dignity.

Impact 100 WISH LIST:

Help us provide diapers and period products for folks in need

\$1000	= 6,500 Diapers
\$500	= 75 Period Kits
\$250	= 5 Potty Training Toolkits
\$100	= 200 Adult Briefs
\$50	= 5 Pizzas for volunteers

Host a product drive:

Gather your friends, family, colleagues, and neighbors to host a product drive! Fifteen percent of all the product that goes out the door comes from community donations. In addition, product drives help us spread the word about diaper need and period poverty in our community. Our staff can provide our Product Drive Toolkit to help you get started!

Volunteer at the Warehouse or Host a Mobile Wrapping event:

Come volunteer at the warehouse or, for a larger group and a small fee, have us come to you. Volunteering with COVERD is a fun, accessible way for people of all ages and abilities to give back to the community.
