Volunteer Opportunities

- **Warehouse Volunteers:** Individuals and corporate groups can help prepare and restock tool orders, organize inventory, clean equipment, and support the day-to-day operations of the Tool Lending Program. This is a great hands-on volunteer opportunity for groups looking to support hundreds of nonprofits at once.
- **Tool Maintenance Volunteers:** Volunteers with handy skills — or a willingness to learn — can help repair, clean, and maintain tools and equipment so they are ready for the next community project. Maintenance shifts are available throughout the year.
- **Youth Workforce Support:** Volunteers, employers, and industry professionals can support Rosie's Girls and ToolBank Academy by serving as guest speakers, hosting site visits, leading hands-on activities, or helping young people explore careers in skilled trades, construction, sustainability, and community leadership.

ToolBank Academy & Rosie's Girls Supplies: Supporters can help provide practical supplies for students and campers participating in hands-on workforce and skilled trades programming, including:

- | | |
|--|--|
| • Reusable water bottles | • Tool kits |
| • Notebooks and binders | • T-shirts, sweatshirts, or hoodies for students and campers |
| • Pens, pencils, markers, and other classroom supplies | • Snacks or lunch sponsorships |
| • Laptops or iPads | • 20 Lockers (matching) |
| • Backpacks | • Wi-Fi and Security Camera for mini-ToolBanks |
| • Tool belts | |

For branded items such as T-shirts, sweatshirts, and program materials, please contact the ToolBank before purchasing so we can coordinate sizes, logos, colors, and approved vendors

High-Priority Equipment Needs: The Cincinnati ToolBank maintains a high-use inventory that is shared by hundreds of nonprofits across Greater Cincinnati. Because our tools and equipment are used repeatedly in community projects, we purchase specific commercial-grade items that are durable and repairable.

Supporters can help sponsor approved equipment in the following high-demand categories:

- | | |
|---------------------------------|--|
| • Outdoor event tents (E-Z Up) | • Portable stage |
| • Portable sound systems (Bose) | • Trash cans and cleanup equipment |
| • Generators | • Battery-powered landscaping equipment (DEWALT) |
| • Large fans | • Large Coolers |
| • High-top tables | |

To ensure donated equipment can be placed directly into service, please contact us before purchasing. We are happy to provide exact specifications, preferred vendors, or sponsorship amounts.

Gift Cards

Gift cards to Home Depot, Lowe's, Amazon, Grainger, ULINE or similar vendors help us purchase approved tools, replacement parts, and supplies as needs arise.
