

MMH Wishlist | Impact 100

Give your time

Volunteer at our Republic Street location. We welcome volunteers who sort donated clothing and assist with laundry. Weekday shifts are available, and we will train you. Come once a week or once a month.

Host a hygiene supply drive. The items we always need: towels, new underwear, travel-size toiletries, and seasonal clothing. We can also work with you to coordinate themed hygiene supplies, specific to certain needs. A drive at your workplace, place of worship, club, or other community group takes little effort and makes an incredible difference.

Give your voice

Be an MMH ambassador. Share our posts on social media, raise awareness about the importance of hygiene access, and tell our story in your networks. Most of Cincinnati has never heard of us. You can help change that. Our team is thrilled to chat and learn what your unique interests and skillset may look like in an ambassador role.

Captain a Team MMH at a Cincinnati race. The Flying Pig, the Queen Bee, or any other race – our city loves to run and walk for a cause. We will provide the shirts and the story. You bring the team and the energy.

Give your leadership

Serve on our board or a committee. We are a small staff wearing many hats. Members with experience in finance, HR, law, marketing, or fundraising can shape our future at the table where decisions get made. Committee service is a great first step.

Give a gift

Give in-kind donations. Undies and sunscreen and sneakers, oh my! Our shelves empty fast and needs change with the seasons. We keep a list of in-kind donation requests on our website and update it weekly to ensure our guests get exactly what they need.
